

A TRADITIONAL GATHERING OF FANS OF GOLF, SCOTLAND AND SINGLE MALT WHISKY IN ČESKÝ KRUMLOV

WHAT IS IT GOING TO BE ABOUT (AGAIN)? WHY TO COME?

For the sixth time already the fellowship of friends of malt whisky - 12 Men of Tyn(e) – is organising a gathering of lovers and friends of Scotland, golf and fine whisky.

For the sixth time since 2007, for the sixth time in Český Krumlov.

For the sixth time on the occasion of the anniversary of filling a cask of 6369 Highland Park Single Malt Whisky 1973, the first cask of this brand bottled and delivered to the Czech Republic.

Come and enjoy eighteen beautiful holes of the Golf Club Český Krumlov in the tournament for the challenge cup "Highland Park Cup - 12 Men of Tyn(e) 6369", the first and so far the only (or at least with the longest tradition) competition for a challenge cup in the Czech golf community.

Come and enjoy a rich accompanying programme celebrating the spirit of Scotch malt whisky and paying tribute to the cult scottisch malt distilleries, and commemorate with the Men of Tyn(e) an anniversary

of filling their first cask of malt whisky – the only cask in the world priding itself on having its own golf tournament.

See www.menoftyne.cz for the history and documentation of previous years.
